

Maintenance Manager

Job Description:

The ideal Maintenance Manager will be comfortable working in a fast-paced environment and multi-tasking. The position is full-time, Monday to Friday (rotating on call every 2nd weekend). A satisfactory driving record and a working vehicle necessary to travel to our various properties and to pick up certain maintenance items that may be required.

Requirements:

- Valid drivers license
- Strong customer service skills
- Experience in plumbing, electrical, carpentry, and landscaping (painting, drywall, patching)
- General knowledge of maintenance systems (pumps, generators, HVAC, sprinklers, etc.)
- Ability to work independently
- Ability to lift/push/pull heavy objects
- *own tools considered an asset*

Benefits:

- Medical/dental after 3-month probation period. 50/50 cost shared
- 2 weeks paid vacation
- Competitive salary (commensurate with experience)
- Gas reimbursement
- Opportunities for advancement
